

i6

Bold and innovative, i6 represents the strong side of comfort. Its impressive airflow and striking design bring power into focus for your space, transforming the ordinary into the exceptional. Let automated SenseMe™ technology and an available color-changing LED modernize your notion of fan performance, then relax as i6 silently safeguards your comfort.

KEY FEATURES

- ▶ **Six premium airfoils** built from aircraft-grade aluminum
- ▶ **Patented brushless DC motor** for silent, efficient performance
- ▶ **Built-in SenseMe™ technology** for automated convenience and efficiency
- ▶ **Voice integration** with Amazon Alexa and Google Assistant devices
- ▶ **Available light kit** with fully dimmable, color-changing LED
- ▶ **Indoor and covered outdoor models** available

DIAMETER

**60, 72, 84, AND
96 INCHES**
(152, 183, 213, AND 244 CM)

MOUNTING

– UNIVERSAL
– FLUSH MOUNT

CONTROL

– BLUETOOTH WALL/REMOTE
– MOBILE APP
– VOICE INTEGRATION

WARRANTY

5 YEARS

Magnetic Holder

Fixed Wall Mount

¹ 60 inch (1.5 m) fan measured with a 6 inch (152 mm) downrod. When direct-mounted, airflow and efficiency are 7742 cfm and 268 cfm/W (indoor) or 7731 cfm and 263 cfm/W (outdoor).
² 96 inch (2.4 m) fans are tested using the federally mandated test procedure (AMCA 230-15), which differs from the testing method used for 60, 72, and 84 inch fans. For comparative purposes only, 96 inch (2.4 m) was tested using the small diameter method (shown in parentheses) and should not be used for compliance with federal regulations.
³ Weight does not include mount or downrod.
⁴ Actual results of sound measurements in the field may vary due to sound reflective surfaces and environmental conditions.
⁵ Voice control requires an Amazon Alexa-enabled device or the Google Assistant. Google Assistant is a trademark of Google LLC. Amazon, Alexa and all related logos are trademarks of Amazon.com, Inc. or its affiliates.
⁶ Mount to an outlet box marked acceptable for fan support of 70 lb (31.8 kg).
⁷ Not suitable for salt air environments. Fan must be installed at least 50 miles (80.5 km) inland from coast.
⁸ Flush mount available on 60 in. (1.5 m) fans only. 6 in. (152 mm) downrod available on 60 and 72 in. (1.5 and 1.8 m) fans only. 96 in. (2.4 m) fans must use a 12 in. (305 mm) downrod minimum. Optional downrod lengths ordered and packaged separately (24, 36, 48, 60 in. [610, 914, 1219, 1524 mm]).

Lead times may vary.
